

PRESS RELEASE

CIRCLE Group announces a new contract with a Mediterranean port for the provision of advanced PCS services worth over 150,000 euro

Milan, 13 August 2024

Circle S.p.A. (“CIRCLE” or the “Company”) - Innovative SME listed on the **Euronext Growth Milan market** at the head of the Group of the same name specializing in the process, analysis and the development of solutions for the digitalization of the port and intermodal logistics sectors and in international consultancy on the Green Deal and energy transition issues announces to have signed an important contract with a terminal of a Mediterranean port for the implementation of advanced services of **Port Community System (PCS)**.

The contract, **worth over 150,000 Euro**, includes different services as the management of the entry and exit of vehicles from the port, of optimised spaces in the port's common areas, facilitating the sending and receipt of booking requests for the temporary storage of goods. This will allow existing functionalities to be extended to new traffic lines, ensuring uniform management of the gates and proper data exchange, to the benefit of the entire port community.

The contract also provides the extension of 'PCS' services, taking into account the specific features of players, traffic and port type.

Luca Abatello CEO of Circle Group, commented, *"A key component of the Connect 4 Agile Growth plan aims to support the digitisation and sustainability of nodes in the port and intermodal logistics sector. We are convinced that the extension of PCS services, adapted to the specificities of players, traffic and port typology, will bring significant benefits to Italian and Mediterranean ports and to all port communities, while contributing to the goals of traffic optimisation, emissions reduction and energy transition support".*

This press release is available in the Investor Relations section of the website on www.circlegroup.eu and on www.1info.it.

Founded in Genoa in 2012, **Circle S.p.A.** is the Innovative SME at the head of the **CIRCLE Group**, the Group specialising in the analysis and development of products for the **innovation and digitalisation of the port and intermodal logistics sectors and in the international consultancy on topics concerning the Green Deal and energy transition.**

In addition to Circle, the Group includes the software houses **Info.era**, **NEXT Freight** (formerly 'Adele Project') and **Cargo Start**, acquired at the end of 2017, July 2019 and December 2022 respectively, the consulting companies **Magellan Circle** and **Magellan Circle Italy**, the **NewCo NEXT Customs**, as well as the subsidiary **Accudire**.

The synergies between the individual components of the CIRCLE Group have made it possible to expand the portfolio of solutions offered in the areas of IoT, Optimisation, Digital Twin, Big Data and Process Automation, and to strengthen the software products: **Milos®** - a suite aimed at all players in intermodal logistics such as inland terminals, port terminals, ports, MTOs and maritime agencies -, the extended Port Community System, the **Master SPED®** and **Milos® Global Supply Chain Visibility** solutions, dedicated respectively to freight forwarding and logistics and to trade and industry, as well as **Star Tracking®**, an airport-to-airport tracking solution.

To complete the offer in the Supply Chain area, the so-called '**Federative Services**' able to make the migration of customers towards a digital business model more efficient and offered in cloud mode.

Through **Magellan Circle** (with offices in Porto and Brussels) and **Magellan Circle Italy**, Circle operates in the field of advocacy at European Institutions, supporting Public Bodies and Companies by identifying their positioning at a European level (**Strategic Communication and Advocacy**) and funding opportunities (**Eu Funding Accelerator**), with a vertical focus on Green Deal and energy transition issues.

The acquisition of the 51% of shares of **Cargo Start** in December 2022, a company specialising in the development and sale of innovative technological products and services for air cargo, allowed Circle to strengthen its offering in a rapidly expanding segment that is strategic to the **Connect 4 Agile Growth** industrial path.

Circle leads the **Log@Sea** business network, which is instrumental in enhancing the offer of advanced **Gate Automation** solutions aimed at port and intermodal nodes.

In December 2023, Circle subscribed to a capital increase equal to 20% of the share capital of ACCUDIRE, an Innovative Startup from Veneto that provides a **Collaborative Digital Platform** capable of helping players along global Supply Chains in the exchange of information and in the management of document flows accompanying goods shipments, starting first and foremost with the **e-CMR** (or electronic waybill, part of an international standard and transposition law just approved by the Italian Parliament).

Finally, in February 2024 Circle established the NewCo **NEXT Customs**, dedicated to digital customs optimisation services and functional to the continuation of initiatives aimed at the harmonisation of customs processes, a highly strategic area for the evolution of the **Connect 4 Agile Growth path**.
